

# Application Consulting Services

Flexible access to hands-on expertise when you need it.

At PTC we understand that executing your business initiatives can require a variety of skillsets and experience, and having the right mix of expertise on hand makes a big difference in your success. This is why we offer Application Consulting Services, a flexible way to gain access to the right PTC subject matter expertise when you need it.

Application Consulting Services allow you to purchase a collection of consulting hours to be consumed as needed over an agreed upon time period, ensuring access to PTC experts whenever you need it. We'll work with you to estimate your overall needs, and then you'll have flexibility to pull in our experts as you go.

We know how things can change in today's fast paced environment, so with Application Consulting Services you won't have to slow down to re-negotiate or create change orders, the flexible consulting hours adjust with your needs.

### About PTC

**Companies That Make Products the World Relies on, Rely on PTC.**

Our purpose at PTC is to do more than just imagine a better world, it's to help create it. Our portfolio of software solutions manages data throughout a product's lifecycle – driving excellence in engineering and design, efficiency in manufacturing and supply chain, and optimization in operations and service. From planes to medical devices to wind turbines to computers, our unique portfolio of software solutions enables companies to transform how they design, make, and maintain their products.
