

September 2023

### REPLAYS: Mathcad Virtual Conference 2023

Thanks to those that came to the Mathcad Virtual Conference 2023! If you missed the virtual event, the session replays are available now, along with the Mathcad worksheets used in the solving, programming, and math engine presentations. We also had sessions on the Mathcad Prime roadmap (featuring sneak peek demos of Mathcad Prime 10!) and a customer story!

### CHALLENGE: Show off your creativity!

The Mathcad Community Challenge September 2023 is an open-ended art challenge: Use one or more of Mathcad Prime's graphing options to show off whatever cool or beautiful art you can think of! Will you make a recognizable picture? Abstract fractal art? Want to show off a cool graphing trick? It's up to you!
