

[Creo Splash Screens Terms and Conditions](#)

By submitting your Cad File, you agree to the following:

- a. You agree that PTC, in its sole discretion, may choose to use or not to use your Cad File for any reason. Your Cad File submission is provided without any fees or costs and made without any restrictions to PTC. PTC may publicly disclose your Cad File on a non-confidential basis to anyone or otherwise use the ideas contained in the Cad File without any additional compensation to you. You also grant all permissions listed in the Permission section below. All Cade Files submissions become the property of PTC and none will be returned.
- b. You represent and warrant that: (i) your Cad File is solely your original creation and was not copied in whole or in part from any other work, (ii) that you (a) own all rights to all images or components of the Cad File or (b) otherwise have rights to submit all elements of the Cad File to PTC, (iii) the Cad File is your sole, exclusive property and does not violate or infringe any copyright, trademark/tradename, or other intellectual proprietary right (and publication or distribution by PTC will not infringe on the rights of any third party); (iii) any people depicted in the Cad File have given written consent to its submission and use as contemplated herein; (v) the Cad File has not been previously published or submitted to similar submission promotions or contests.**
- c. You shall indemnify and hold harmless, PTC and the PTC Parties from any breaches of the above representations and warranties.

Permissions.

By submitting a Cad File, you acknowledge that your Cad File may be altered or publicly disseminated, including in PTC products or posted on PTC's websites. PTC may produce, market, sell or otherwise distribute products based on (in whole or in part) your Cad File. This means that by submitting a Cad File, you irrevocably and forever grant and assign to PTC all rights, title, and interest in your submitted Cad File (and all works derived from it) as well as all intellectual property rights to use, reproduce (which include the right to modify your Cad File). This also means that, except where

prohibited by law, you waive all rights of attribution. You expressly agree that PTC attributing the CAD File to you by including any agreed upon Source Text with the CAD File in publication constitutes sufficient compensation for the granting of such IP rights. To the fullest extent permitted by applicable law, you expressly agree not to exercise any moral rights you may have in relation to the CAD File against PTC.

You hereby irrevocably grant to PTC, its affiliated companies, and their assigns and designees, (hereinafter referred to as the ("PTC Companies")), permission to create sales and/or marketing demos, to be distributed worldwide, that feature the Customer Files. The sales/marketing demos will include the actual model data from the Customer Files and will illustrate various features of PTC software. The PTC Companies may make the demos available for web-based viewing. Additionally, the PTC Companies may distribute the demos to their resellers worldwide and authorize their resellers to use the demos for demonstrations to existing or prospective customers.

You also authorize the use of your Cad File and images you provided to PTC and images created by PTC Companies using the Cad File and images you provided for use in training, sales, and marketing materials to be produced worldwide, in all media now known or hereinafter invented, by the PTC Companies. You further grant the PTC Companies the right to use, represent, reproduce, or incorporate in any manner whatsoever all or any portion of the aforementioned images, worldwide and in all media now known or hereinafter invented. At the PTC Companies' discretion, the PTC Companies may include in sales and marketing materials information describing the manner in which you selected and implemented projects based on the PTC Companies products and services.

You agree that PTC's partners or its resellers may use images of the product represented by the Cad File for use, representation and reproduction in marketing materials (existing or to be discovered in the future) to be produced worldwide by partners or resellers of the PTC Companies. PTC Companies may allow their partners or resellers to use, reproduce, represent, or incorporate in any manner whatsoever all or any portion of the aforementioned images worldwide and in all media now known or hereinafter invented. You will indemnify and hold harmless the partners and resellers of the PTC Companies against liability should any third-party claim that the use of the materials by the partners or resellers of the PTC Companies violates any right of such third party to the materials.
