BALLUFF

Spätzlespresse

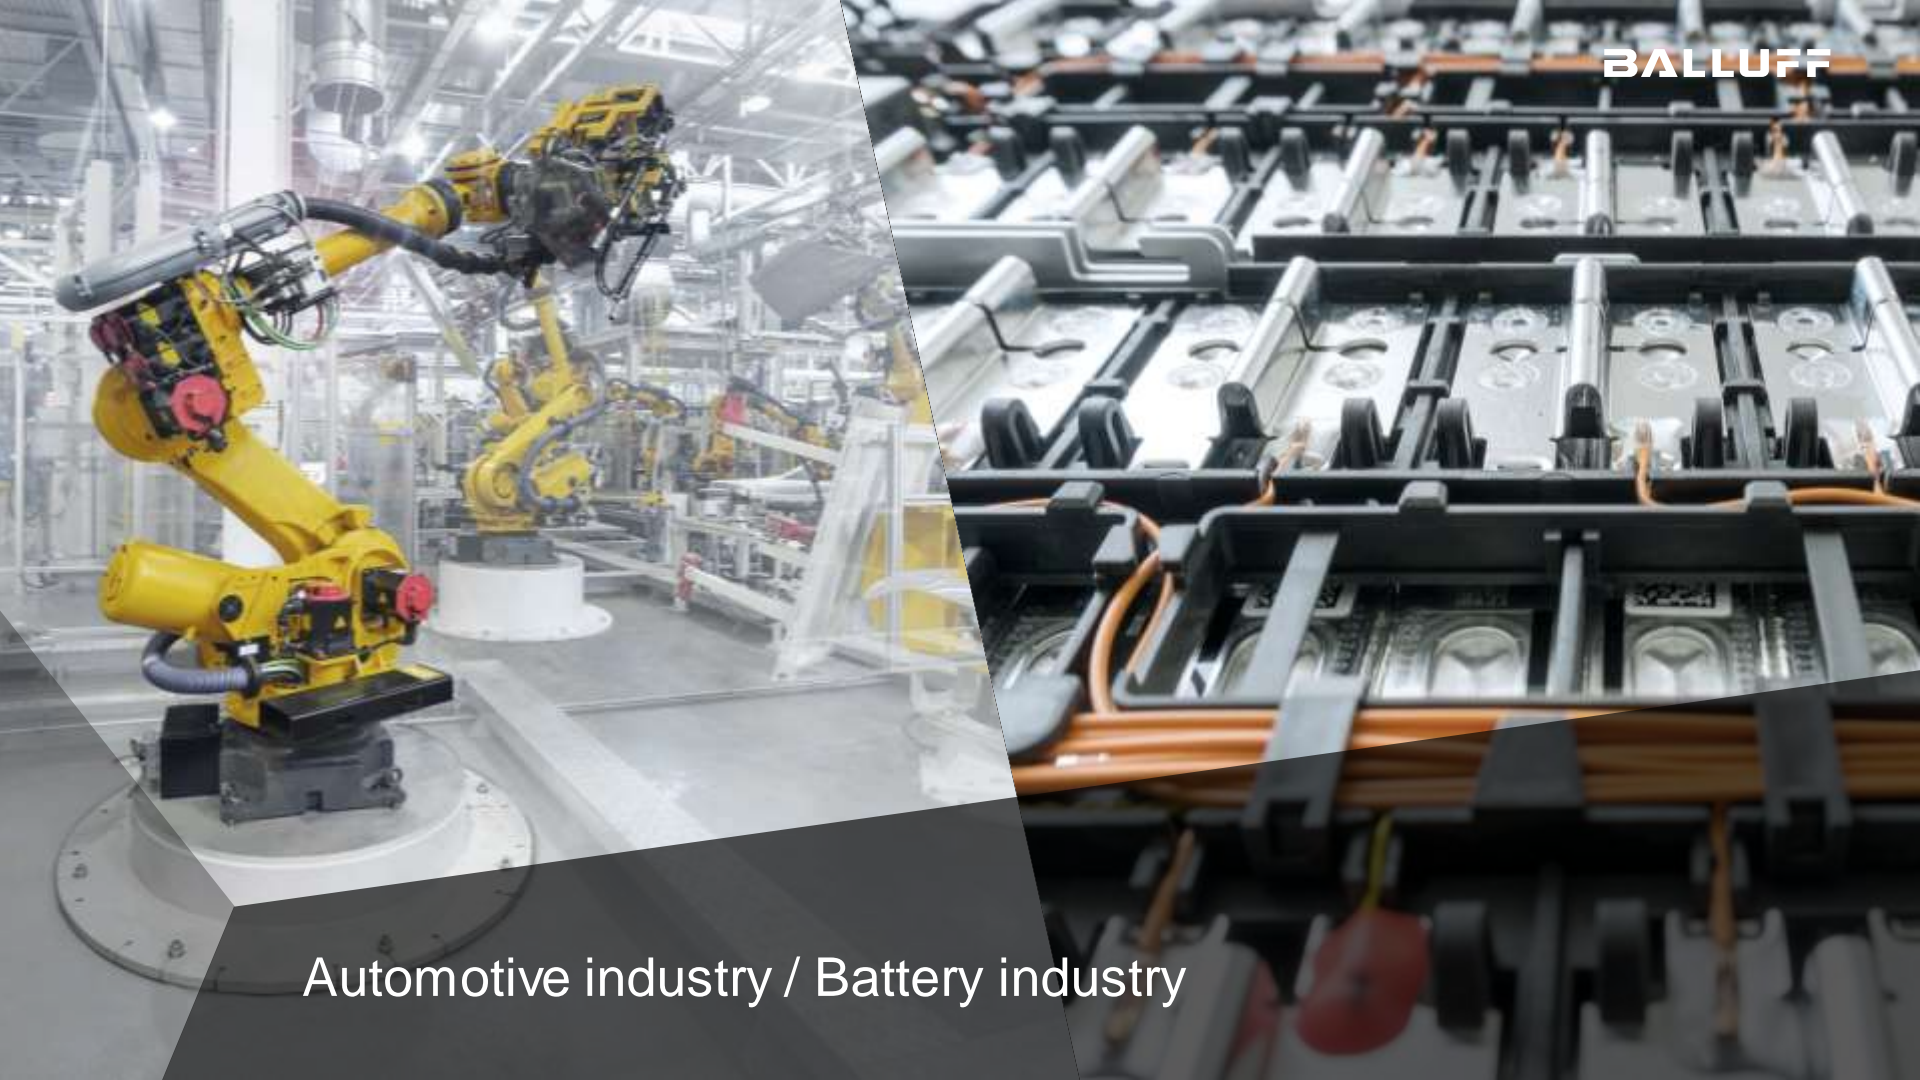

1921 | Balluff started with a repair shop for bicycles

With our product portfolio we are solution provider
for many industries

**Proximity
Sensors****Photoelectric
Sensors****Positioning
Sensors****Process
Sensors****Vision****Networking****Machine
Operation****Identification****Software**

BALLUFF

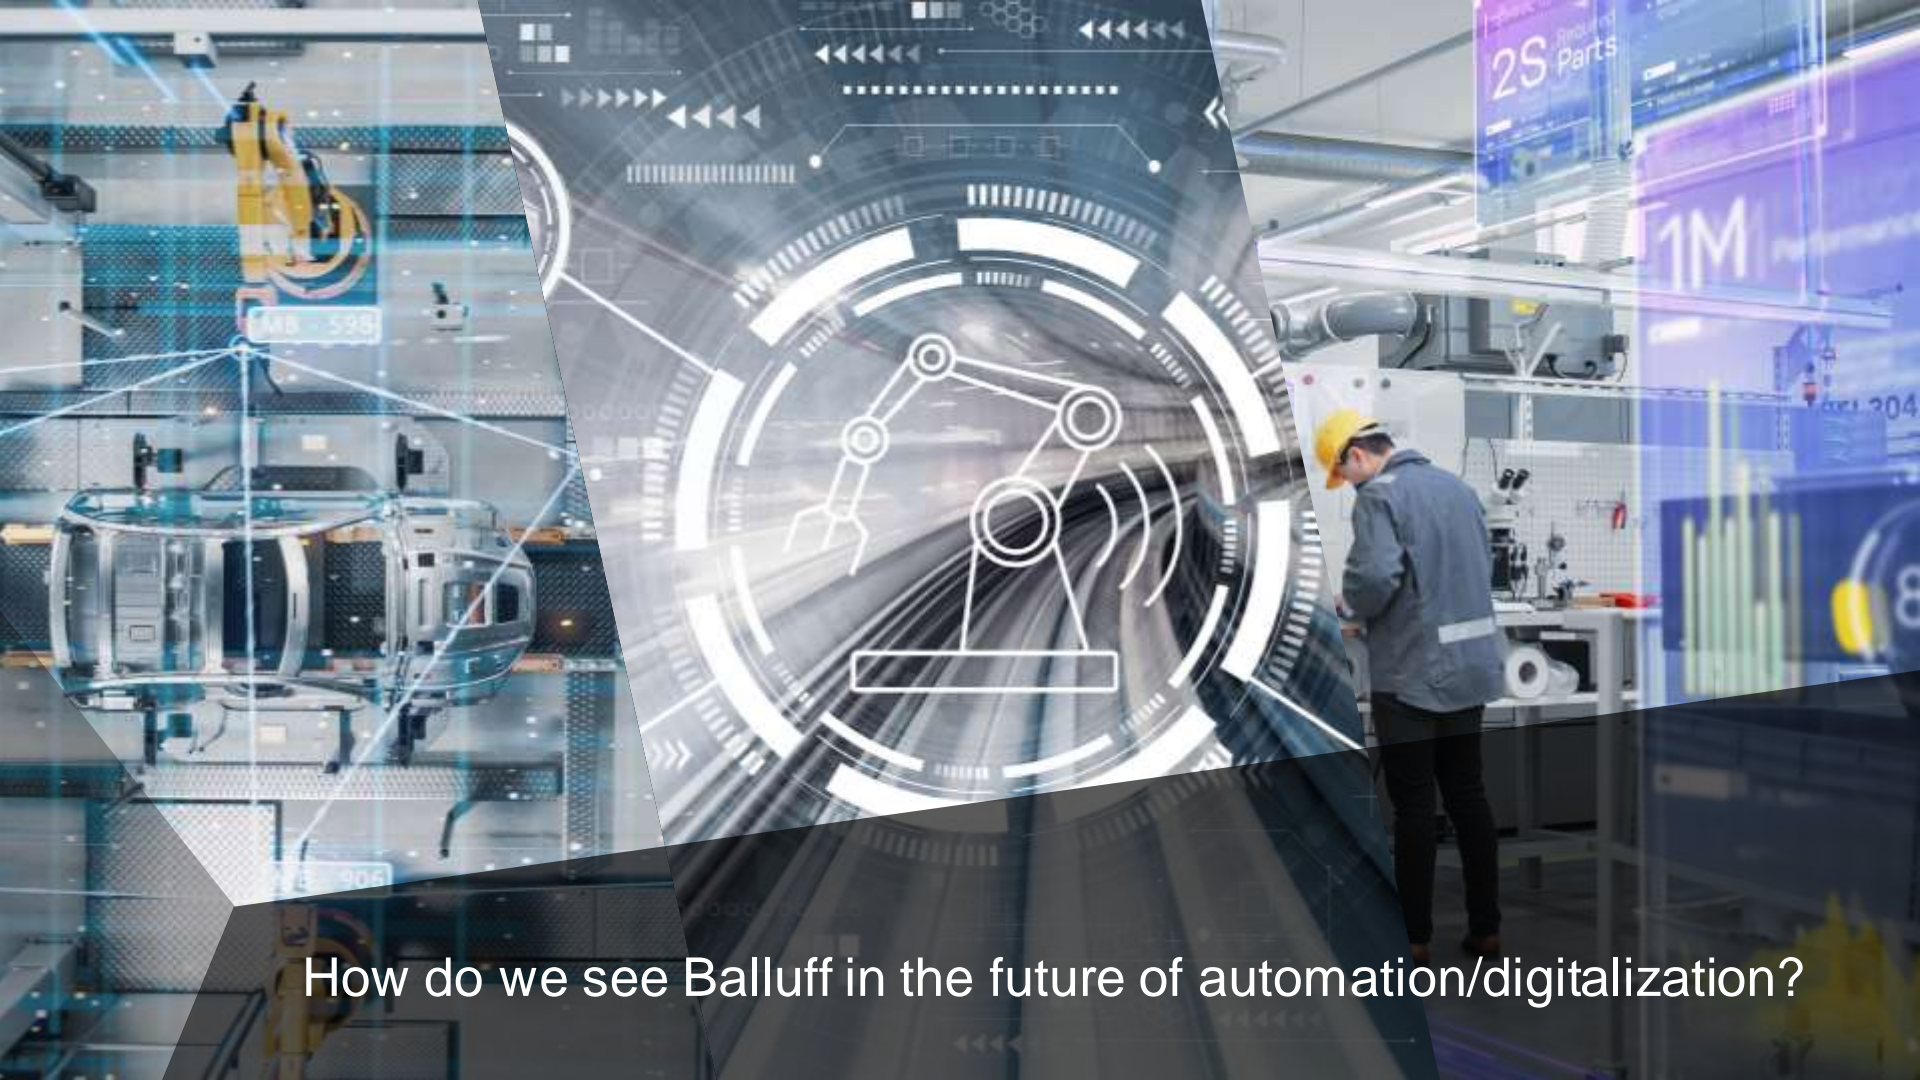

Automotive industry / Battery industry

BALLUFF

Energy – Wind power / **Semicon** – Wafer Handling

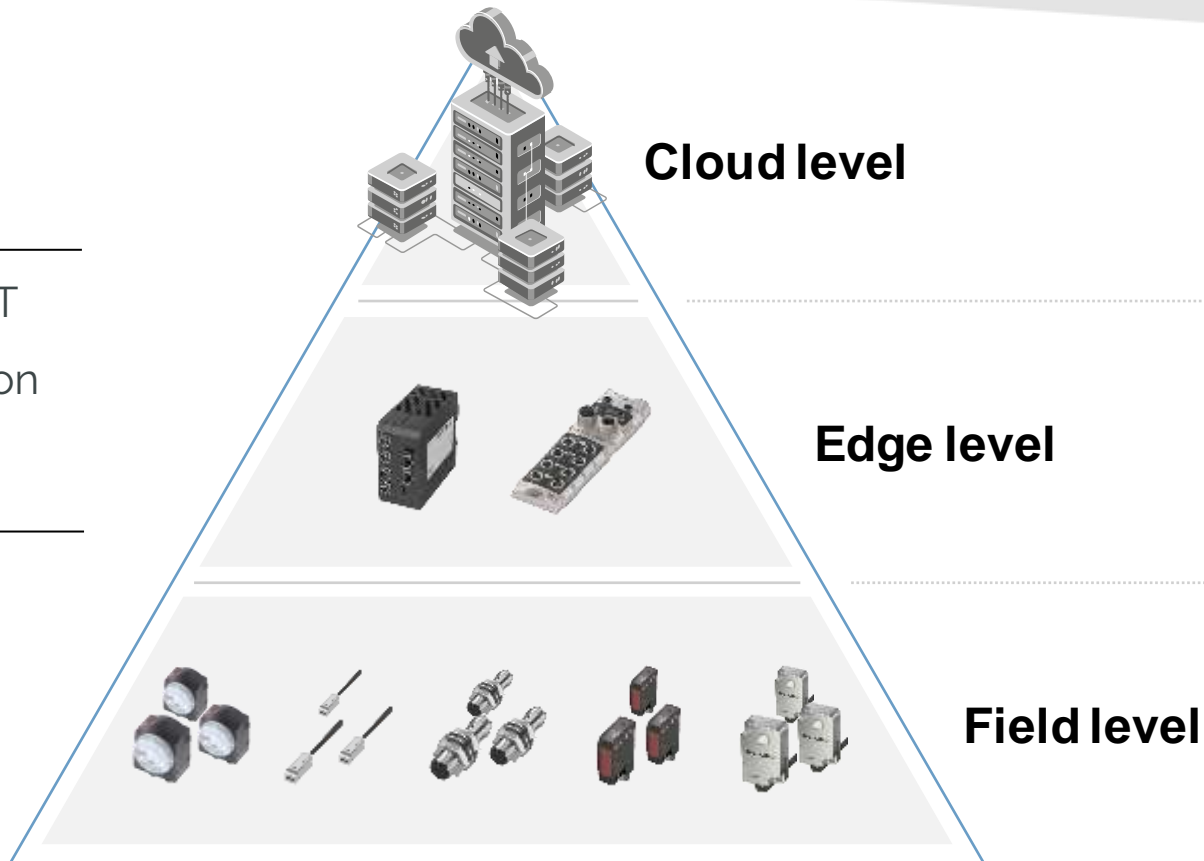

How do we see Balluff in the future of automation/digitalization?

How do we benefit from PTC products?

A simplified view of the IoT
stack in industrial automation
at Balluff

A stylized globe of the Earth is shown on the left side of the image. The globe is rendered in shades of blue and cyan, with a network of white lines and dots overlaid on its surface, suggesting a global network or data flow. The background is a dark blue gradient.
