Product Launch

PTC Mathcad Prime 11.0.1.0 Maintenance Release Available Now!

PTC Mathcad Prime customers can now download PTC Mathcad Prime 11.0.1.0, a maintenance release that features updated third-party libraries and fixed bugs. Downloading 11.0.1.0 will replace 11.0.0.0 on your system, but worksheets remain compatible.

New Challenge

Mathcad Community Challenge September 2025: Dijkstra's Algorithm-Inspired Programming Challenge

Write a PTC Mathcad Prime program to calculate the shortest path from the first node to all other nodes, always choosing the shortest path from the current node. Log on to [PTC Community](#) and upload your worksheet solving this, and we'll feature it!
